RE: Account Number: xxxxx – xxxxx  
Service Address:

Monthly Gas USF Amount: \$000.00  
Monthly Electric USF Amt: \$000.00

Dear [Customer Name1]:

Our records show your PSE&G utility account has been closed. If you open a new electric or natural gas account within the State of New Jersey, you are still eligible to continue receiving your Universal Service Fund (USF) credit . As you may know, USF was created by the New Jersey Board of Public Utilities to help you pay your monthly gas and/or electric bills.

To continue receiving this benefit for the remainder of the program year (which ends September 30, 2004), you must do two things:

1. Open your new utility account in your name or your spouse's name.
2. Call your new utility and tell them you are a USF customer. You will need to tell them your name, the name of your old utility company, your old utility account number and the "Monthly USF Credit Amount" shown above.

Please save this letter and a recent bill from your old utility company as proof that you are enrolled in USF.

If we can assist you further in this matter, please call us toll-free at 1 – (XXX) XXX - XXXX.

Sincerely,
